[Tue, Jan 12, 10 I Chronicles 11](#)

Dear Saints,

Today as we prayerfully Feast in [I Chronicles 11](#). I told you Sandy and I have been married 42 Years. Today my Grandson Michael (3 Years old) is visiting us. I keep a computer in the living room for his use, and something went wrong with it. He went to his grandmother and told her the computer wasn't working. She said; "I'll fix it when I get done with what I'm doing." He turned around immediately headed to the computer singing a little song; "Help is on the way! Help is on the way!" Then he played right by his computer as he waited until she got there to fix the problem. What a great display of faith, he asked her to fix his computer. When she told him she would be there when she finished what she was doing. He knew that his grandmother knew he had a problem and she promised to fix it. This is the kind of faith we should have when we ask, for He will give us the answer to our request. **"Now faith is being sure of what we hope for and certain of what we do not see." - Hebrews 11:1.** Lord willing I'll send and post the Feast tomorrow..

Please see the [rest of the feast](#) and [Sister Mary's Corner](#)
